

Admission Policy

Rationale

Edison Global Academy, Rawdat Al Hamama welcomes students of all nationalities provided they pass the school's assessment procedures including fluency in English, past school records and that a space is available within the intended year level. Registration for new enrollers for all grades will take place from March annually until the required number in each class is reached.

Admission is offered depending on the following:

A student must:

-  Have a valid Qatar National ID card or resident permit.
-  Be the appropriate age for the class.
-  Achieve the criteria of the entrance test.
-  Submit school health assessment and immunization card

Objective

The objective of the admission policy is to:

-  Define requirements for the admission for all students to the appropriate class.
-  Encourage partnership between school, parents and students.
-  Ease the process of admission for parents and students.

Admission Testing

At Edison RH, we want every pupil to have the smoothest possible transition into our Early Years group –

whether they are starting school for the first time or are transferring from another educational setting.

We strongly believe in the importance of an age-appropriate and a non-stressful admissions procedure as this is the best way to assess a child's readiness to join our Early Years. All preschool and reception students have an interactive play session assessment with our Early Years teachers who will greet you at the reception area and invite you to proceed to their classroom. Parents are welcome to remain in the room during the assessment to help their child to feel comfortable, KS1 to KS4 pupils have to do a written assessment according to their age and current year group. Students are placed in the year level according to their ability.

Approval from Ministry of Education and Higher Education

- Ministry of Education and Higher Education is the regulatory authority for schools, thus; its approval is required for admission.
- The student's year group will be determined according to his/her results on the Ministry of Education and Higher Education system, his/her behaviour and abilities.

Re-registration procedures

- Priority for admission will be given to our students currently enrolled and their siblings.
- The school registrar distributes re-registration forms for all Edison RH students electronically and manually
- Parents are requested to sign the application form and return it back to us with refundable caution deposit of 2000 Riyals.
- Students currently enrolled in Edison RH are required to re-register before the END OF MARCH. After this date, registration will be opened for new students and our students might lose their seat if the payment is not made for seat reservation.
